

Sometimes nothing is more fun than to jump in the car on a pretty Sunday afternoon and take off on your favorite back roads. Carefree and enjoying the blessings of life is good for us all. The new recording, *Special Edition*, from the east Tennessee based family trio **Sunday Drive**, might be just what you want to put in the CD player on that afternoon outing.

Formed in 1999 as The Jeff Treece Band, Jeff, his wife Misty and his brother Dusty have transitioned to a very refreshing young group that has become favorites, not only on the church and concert circuit, but also at RV Parks and Hotrod Auto shows across the country. They've played dates with artists such as Big Daddy Weave, David Crowder Band, Tanya Tucker, The Oak Ridge Boys, as well as many in the Southern Gospel genre.

As 2016 marks the 30th Anniversary of Sonlite Records, **Sunday Drive** and label head Chris White decided it was time to remake the first radio single and re-release it to gospel radio. Penned by award winning writer Kirk Talley, "If There's A Rocking Chair In Heaven" is already hitting the airwaves across the country, featuring Misty on the first verses. But there is a bit of a surprise on verse three. Listen closely as Jeff's mother, Violet, comes in from the original recording in 1986 and carries it on to the end. This is the only song on this new album not written or co-written by Jeff. The album kicks off with the jazzy upbeat style of "A Good Song", followed by the proclamation in the lyrics of "I Thank You" and "I'll Stand For You." *Special Edition* is filled with powerful lyrics, upbeat tunes and a touch of fun, as Jeff adds a touch of comedy with "Don't Forget My Senior Discount." From beginning to end, *Special Edition* will surely be a favorite for those Sunday afternoon drives.

Along with the success of their last single "Happy, Happy, Happy", landing on multiple genre charts at the same time, including CashBox Magazine, **Sunday Drive** is a multi-award winning artist in the INCMA (Inspirational Country Music Association) and ICGA (Inspirational Country Gospel Association), proving that there can only be positive things to come from this talented trio from Knoxville TN.
